@ALEXITHEDJ

THANK YOU FOR SHOWING INTEREST

WE ARE PROUD TO INTRODUCE ALEXI THE DJ AND HIS WORK TO YOU.

Here is what you need to know.

We (Alexi The DJ) take care of all your sound, lighting and entertainment needs for any event or function and are based in Johannesburg, up to date we have played for well over 500 events and have 25 years experience in the entertainment industry, we cater for all genre's, specialising in English, Afrikaans, Greek, Spanish, Italian and Portuguese.

We come highly recommended and have played at venues and clubs across Europe and the African continent, we guarantee professionalism and top quality service in all that we do.

We like to meet with clients prior to events in order for us to work on the order of events for the evening and the play list together, we do have a stencil that we work with when it comes to music, but we always like to ask clients for a list of music genres they like or dislike, in order for us to work on "their" playlist.

We would like to formally thank you for your business, and kindly ask you to consider us for your current, and any future events.

DJ
ONLY

R 12,500.00

PACKAGE 1

This package includes:

- 1 Alexi The DJ.
- 7 Hours of DJ time.

This package is for 7 hours of DJ time only, any further hours will be charged at a R 1,500.00 per hour overtime rate, payable in cash or EFT after the event.

We charge R6,50 per kilometer for venues further than 100km from our offices in Bedfordview, we request that you provide us with the name and address of your venue, and then we'll do a round trip distance calculation from our offices. Please keep in mind that for the safety of Alexi The DJ, we request accommodation if the venue is further than 150 kilometers from our offices.

All the necessary sound and lighting equipment needs are to be outsourced by the person making the booking, you may use any equipment provider you wish, however please revert to our technical rider on page 3 which includes a detailed breakdown of all our equipment requirements. Please remember to include any additional equipment requirements from your venue to your equipment provider. Please ask your equipment provider to give Alexi The DJ a call and discuss what equipment shall be available at your event.

If your event is to be held outside of Johannesburg then we request:

- A minimum of 1 nights accommodation including breakfast from any hotel or BnB.
- All UBER travel costs covered, should there be no UBER available? Then a vehicle shall be booked by us from AVIS.
- Return flights for the event date/s mentioned.

Please Note:

- AirBnB, vehicle rental, fuel and insurance costs shall be forwarded to the client making the booking.
- Alexi The DJ makes the necessary AirBnB, flight and vehicle bookings himself, he will first forward all booking details for approval prior to confirming, and will then forward an invoice for payment.
- Should you wish to make the accommodation booking yourself? This won't be a problem, but, prior to confirming the booking please forward images and accommodation location via google maps to Alexi The DJ for approval.
- Accommodation must be preferably on the premises or within 5 -10 mins drive from the venue.

TECHNICAL RIDER

@AlexiTheDJ technical and production rider.

Please read through carefully and forward to your technical engineer or person/s in charge of the equipment for the event.

Note:

Please make sure the DJ table is laid out according to the picture, 2 USB players on the left and 1 USB player on the right with enough space for a laptop.

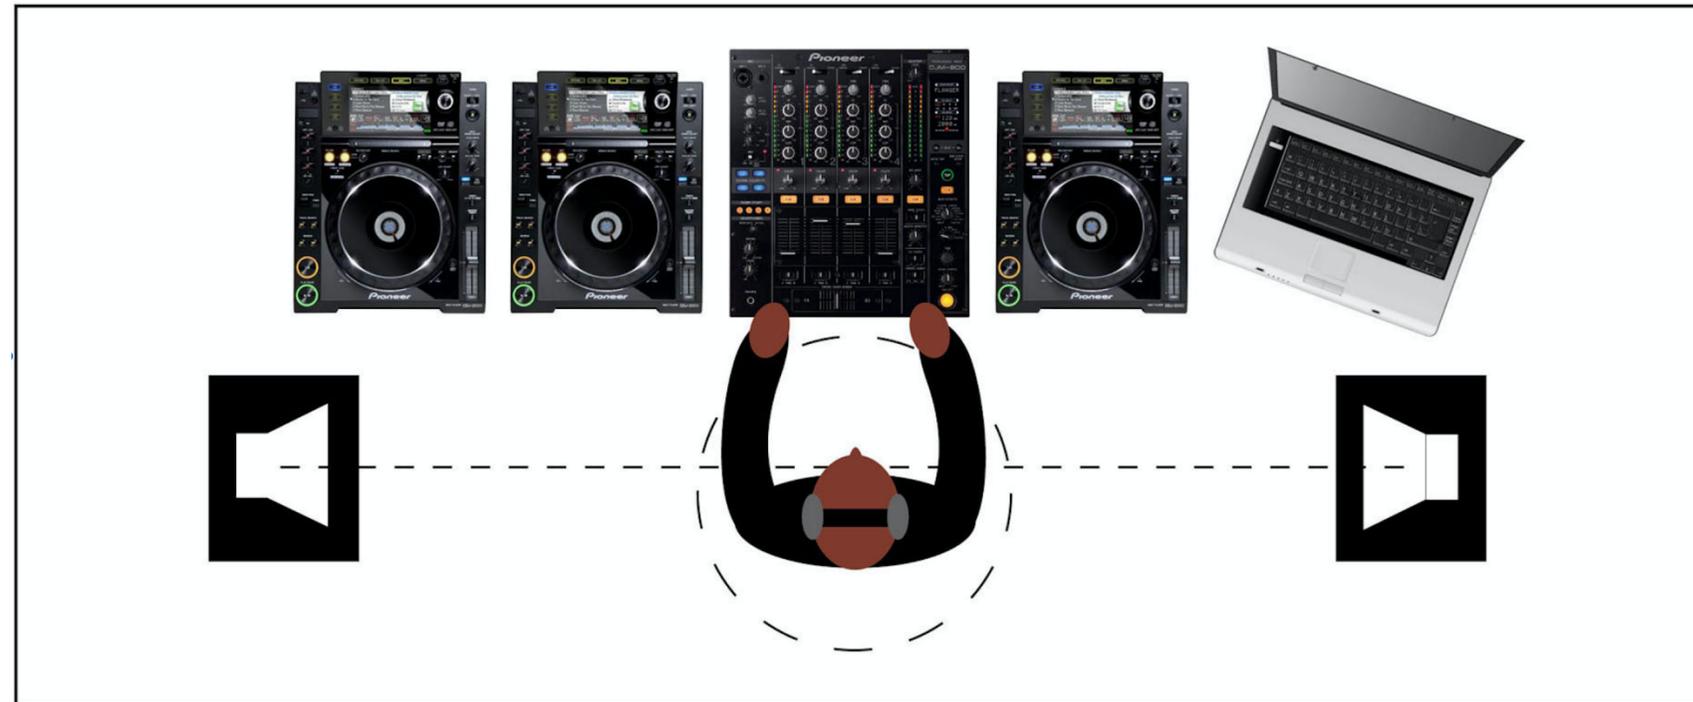

The table needs to be on a stable floor with no bumping or shaking.

All devices need to be connected to each other via a LAN / Network hub.

Ensure that there is at least 1 bouncer at the DJ booth during the DJ's performance.

Equipment Breakdown:

- 1 x Pioneer DJM V10, 900 NXS2 or 750 MK2 Mixer, Or equivalent Pioneer 4 channel mixer.
- 3 x Pioneer CDJ 2000 Nexus 2 Players,
- 1 x Wireless microphone connected to the DJ mixer,
- 2 x DJ monitors controlled from the booth out of the mixer, on the floor and left & right of the DJ.
- 1 x large 4x8ft covered table if there is no DJ booth,
- 1 x Multi adaptor with 2 and 3 pin plug ports.

WE THANK YOU

Alexi The DJ is a leader in the wedding industry, boasting years of experience and a ton of specialised expertise in the niche that is Greek entertainment.

From beginning to end you are in the hands of a dedicated set of individuals, his combined team of audio and visual engineers, operators and music & video editors, give specialised individual attention to each of their area of expertise.

We have developed a detailed system over the years, ensuring that each wedding or event receives the personal touch that it requires.

We work hard to convey the atmosphere and storytelling of your wedding and all the effort we put in, takes place on wedding day, photographers and videographers have hours of post production time to get it right, however we only get one chance to make sure that your wedding is a success.

We would like to formally thank you for your business, and kindly ask you to consider us for your current, and any future events.
